

Jane Seymour: The Haunted Queen (Six Tudor Queens, #3) Acclaimed author and historian Alison Weir continues her epic Six Tudor Queens series with this third captivating novel, which brings to life Jane Seymour, King Henry VIII's most cherished bride and mother of his only male heir. Ever since she was a child, Jane has longed for a cloistered life as a nun. But her large noble family has other plans, and, as an adult, Jane is invited to the King's court to serve as lady-in-waiting for Queen Katherine of Aragon. The devout Katherine shows kindness to all her ladies, almost like a second mother, which makes rumors of Henry's lustful pursuit of Anne Boleyn—who is also lady-in-waiting to the queen—all the more shocking. For Jane, the betrayal triggers memories of a painful incident that shaped her beliefs about marriage. But once Henry disavows Katherine and secures his new queen—altering the religious landscape of England—he turns his eye to another: Jane herself. Urged to return the King's affection and earn favor for her family, Jane is drawn into a dangerous political game that pits her conscience against her desires. Can Jane be the one to give the King his long-sought-after son or will she meet a fate similar to the women who came before her? Bringing new insight to this compelling story, Weir marries meticulous research with gripping historical fiction to re-create the dramas and intrigues of the most renowned court in English history. At its center is a loving and compassionate woman who captures the heart of a king, and whose life will hang in the balance for it. ...more [Jane Seymour: The Haunted Queen \(Six Tudor Queens, #3\) PDF ebook](#)
